

# CITY COUNCIL AGENDA REPORT

**DEPARTMENT:** Administration

**MEETING DATE:** February 20, 2007

**PREPARED BY:** Tito Haes, Deputy City Manager

**AGENDA LOCATION:** CC-10

**TITLE:** Resolution 2007-11 A Resolution in Support of I-10/605 Interchange Improvements and Completion of High Occupancy Vehicle (HOV) Lane.

**OBJECTIVE:** This report will provide the Council with information on Resolution 2007-11 supporting the completion of the I-10/605 interchange improvements and completion of HOV lane on the I-10.

**ANALYSIS:** The San Gabriel Valley will experience a significant increase in population and jobs that will generate additional vehicle trips impacting the quality of life throughout the Valley. The Interstate 10 and 605 interchange is poorly designed for today's traffic capacity and causes traffic congestion, pollution, economic losses, and negatively impacts residents' quality of life. Further, Interstate 10 includes an HOV lane between the 605 and 57 freeways and needs to be completed between Interstate 605 and Puente Avenue.

As such, Resolution 2007-11 declares the City Council's support for funding of the Interstate 10 and 605 interchange improvements and completion of the Interstate 10 HOV lane between Interstate 605 and Puente Avenue.

**COUNCIL ACTION REQUIRED:** Should the Council concur with staff's recommendations, the appropriate action would be:

“Adopt Resolution 2007-11 a resolution in support of I-10/605 interchange improvements and completion of the I-10 HOV lane.”

Respectfully,

Tito Haes  
Deputy City Manager
