TITLE: Denial of Liability Claim filed by Maria Beghloyan

OBJECTIVE: To provide the basis for the City Council to take action related to this liability claim filed against the City.

BACKGROUND: Ms. Beghloyan filed a claim against the City in relation to a non-injury traffic collision that took place on April 20, 2011, which caused damage to her vehicle.

ANALYSIS: Ms. Beghloyan believed the other party involved in the accident to be an employee of the City of Monrovia. Staff has reviewed the Police report in this matter and the other party is not an employee of the City. Ms. Beghloyan has been notified to contact the responsible party. Therefore, the City bears no responsibility in this matter.

ENVIRONMENTAL IMPACT: Not applicable.

FISCAL IMPACT: Claimant is seeking an unspecified amount in damages.

OPTIONS: The City Council may either 1.) deny the claim or 2.) settle the claim based on repair costs provided by the claimant.

RECOMMENDATION: Staff recommends that the City Council deny this claim.

COUNCIL ACTION REQUIRED: If the City Council concurs, the appropriate action would be a motion to deny the claim filed by Maria Beghloyan against the City of Monrovia.
