SUBJECT: RECOMMENDATIONS FOR COMMISSION APPOINTMENT – UNSCHEDULED  
VACANCY

Below are the recommendations from the Community Services Commission Selection Committee for an appointment to fill the unexpired term of Commissioner Jeffrey Johnson as a result of his resignation on August 7, 2012.

Councilmember Becky A. Shevlin, liaison to the Community Services Commission, Phil Lopez, Community Services Commission Chair, and April Soash, Director of Community Services, interviewed new applicants and applicants from the recent selection process for new terms beginning on July 1, 2012, who were unable to interview at that time, and also considered those previously interviewed for the July 1, 2012, appointments who indicated an interest in being included for the unexpired term appointment selection.

The committee recommends the appointment of **Jenny Wong** to fill the unexpired term of Jeffrey Johnson ending June 30, 2013.
