**DEPARTMENT:** Public Works

**MEETING DATE:** May 22, 2001

**PREPARED BY:** David Fike,  
Director of Public Works

**AGENDA LOCATION:** CONSENT \*1 - 5

---

**TITLE:** Radio Maintenance Contract – Extension of Contract

**OBJECTIVE:** To extend the current radio maintenance contract with Advanced Electronics, Inc.

**BACKGROUND:** In August 1999 the City Council awarded a contract to Advanced Electronics, Inc. in the amount of \$17,448 for the maintenance of radios used by the Public Works and Police Departments. For Fiscal Year 2000-01 the contract was amended, which resulted in a reduction of the annual contract amount to \$16,560.

Advanced Electronics, Inc. has provided very professional service and well-trained technical support for the City's needs throughout the past year.

**ANALYSIS:** Advanced Electronics, Inc. has agreed to continue to provide radio maintenance under the same terms and provisions as included in the current contract.

**FISCAL IMPACT:** Funds for the annual contract amount are included in the Facilities Division's Budget.

**RECOMMENDATION:** Staff recommends that the City Council approve a one (1) year contract extension of the existing Radio Maintenance Contract with Advanced Electronics, Inc. (18220 South Broadway, Gardena, CA 90248).

**COUNCIL ACTION REQUIRED:** If the City Council concurs, the appropriate action would be a motion to:

Approve a one (1) year contract extension to the existing Radio Maintenance Contract with Advanced Electronics, Inc. (18220 South Broadway, Gardena, CA 90248) in the amount of \$16,560.

Respectfully submitted:
